## EXPERIENCE AN EVENING OF ADVENTURE
### 7:30pm Wednesday, April 3, 2019

**WHAT:** **Hammer Theatre Center** presents ***National Geographic Live! Capturing the Impossible*** with award-winning filmmaker **Bryan Smith**. In this edge-of-your-seat presentation, Smith shares gripping, behind-the-scenes moments from his assignments to document extreme feats and high adventure in the world's most challenging environments. He has faced machete-wielding locals in Papua New Guinea, suffered frostbite during the first-ever ice climb of Niagara Falls, explored the South Pacific's deepest canyons, and scaled North America's tallest mountains to bring viewers closer to the action. In this unforgettable event, Smith shows audience members what it means to adventure with purpose, and why he believes the best expeditions are the ones with a healthy chance of failure.
