

**THE MARSH YOUTH THEATER PRESENTS THE
INTERNATIONAL TEEN PERFORMANCE FESTIVAL**
June 11 – 12, 2022

WHAT: **The Marsh Youth Theater** will present its first-ever **International Teen Performance Festival** on **June 11–12**, amplifying the voices of teens (ages 14-18) and bringing light to the issues in their lives – from neighborhood crime to COVID-19, gender equality, school violence, and more. Offered in a hybrid format, the festival invites audiences, both local and global, to tune in as youth continue to lead the charge in social change and building a better world. In the months leading up to the International Teen Performance Festival, the young participants were enrolled in the workshop, *Voices of Youth: Expressing Yourself in Challenging Times*, where they learned the fine craft of telling their stories on stage under the tutelage of The Marsh Youth Theater workshop leaders.

DATES: **June 11 – 12, 2022**
