

**THEATREWORKS SILICON VALLEY HOSTS  
ENCHANTING EVENING OF DIONYSIAN DELIGHTS**

**Blue Sky Bacchanalia**

**Sunday, May 5, 2024**

**WHAT:** This May, **TheatreWorks Silicon Valley** will host its spring fundraiser **Blue Sky Bacchanalia**, an unforgettable evening of merriment and revelry. Sumptuous wines from **J. Lohr Vineyards & Wines** will flow freely in this evening of Dionysian delights as TheatreWorks honors its longtime partner **The Lohr Family**. The event will also celebrate Obie Award-winning actor **Francis Jue** (*Soft Power*, *Yellow Face*, *M. Butterfly*), who has performed regularly on TheatreWorks stages for decades, most recently in the claws-out comedy *Tiger Style!* (performing April 6-28 at Mountain View Center for the Performing Arts). Featuring exquisite entertainment and performances that celebrate Jue's illustrious career onstage and onscreen, this Greco-Roman-influenced gathering at **Hiller Aviation Museum** will be full of fanciful feasting, lively libations, and exclusive treasures. Proceeds from *A Muse Ball: Take a Journey with TheatreWorks* will benefit TheatreWorks' continued mission to bring the arts to Bay Area audiences.

601 Skyway Road, San Carlos
