FOX THEATRE, REDWOOD CITY

WHAT: **TheatreWorks Silicon Valley** will ring in the new year with the return of actor/pianist/writer **Hershey Felder** in the World Premiere of ***Love Notes: A Romantic Musical Triangle***. In 1853 Düsseldorf, Germany, a twenty-year-old Johannes Brahms from Hamburg knocks on the door with a letter of introduction to two of Germany's most famous musicians, composer Robert Schumann and his wife, pianist and composer Clara Schumann. Brahms presents his music, and within an hour, Robert Schumann declares Brahms a true genius and the heir to Beethoven. Yet within months, Schumann commits himself to an asylum. This leaves the young Brahms to run Schumann's household, mind his children, and fall in love with his wife, spending the next forty-three years deeply bound to what happened in that house. With **Hershey Felder** as Johannes Brahms, **Sally George** as Clara Schumann, and **Jonathan Silvestri** (*Hershey Felder: Rachmaninoff and the Tsar*) as Robert Schumann, ***Love Notes*** features a story of passion, longing, and love that led to some of the most beautiful music ever composed.
